USER MANUAL

CAUTION

Do not exceed rated listed weight. Serious injury or property damage may occur.

	VESA Compatible MAX	RATED
32" - 55"	400 X 400	**RATED LOAD** Up to 40kg

EN Read the entire instruction manual before you start installation and assembly. If you have any questions regarding any of the instructions or warnings, please contact your local distributor for assistance.

CAUTION: Use with products heavier than the rated weights indicated may result in instability causing possible injury.

- Mounts must be attached as specified in assembly instructions. Improper installation may result in damage or serious personal injury.
- Safety gear and proper tools must be used. This product should only be installed by professionals.
- This product is designed to be installed on wood stud walls, solid concrete walls or brick walls.
- Make sure that the supporting surface will safely support the combined weight of the equipment and all attached hardware and components.
- Use the mounting screws provided and DO NOT OVER TIGHTEN mounting screws
- This product contains small items that could be a choking hazard if swallowed. Keep these items away from children.
- This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.

IMPORTANT: Ensure that you have received all parts according to the component checklist prior to installation. If any parts are missing or faulty, telephone your local distributor for a replacement.

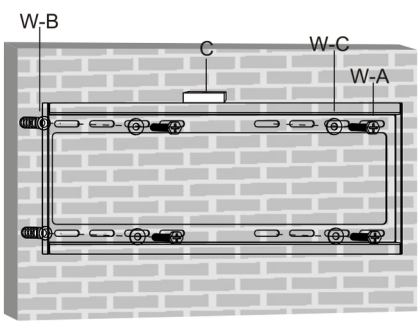
MAINTENANCE: Check that the bracket is secure and safe to use at regular intervals (at least every three months).

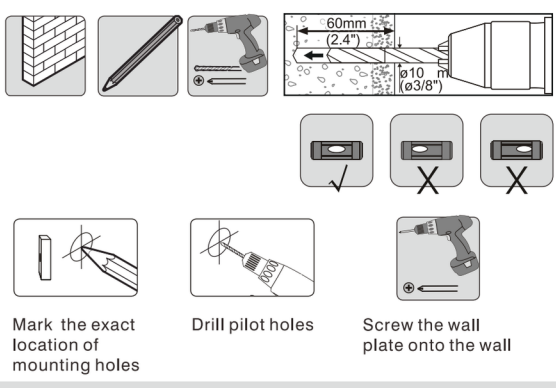
NOTE: Read the entire instruction manual before you start installation and assembly.

WARNING

- This mounting bracket was designed to be installed and utilised only as specified in this manual. Improper installation of this product may cause damage or serious injury.
- This product should only be installed by someone with good mechanical ability who has basic building experience and fully understands this manual.
- Make sure that the supporting surface will safely support the combined weight of the equipment and all attached hardware and components.
- Always use an assistant or mechanical lifting equipment to safely lift and position the equipment.
- Tighten screws firmly, but do not over tighten. Over tightening can cause damage to the items. This greatly reduces their holding power.
- This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.

1. Solid Brick and Concrete Mounting





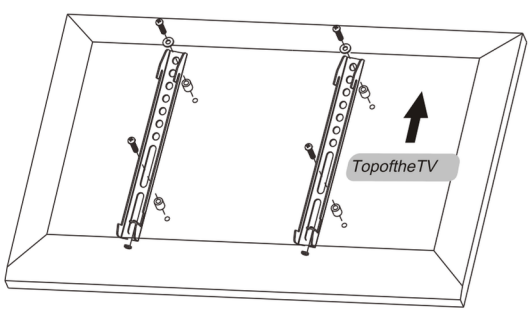
Mark the exact location of mounting holes

Drill pilot holes

Screw the wall plate onto the wall

WARNING Installers must verify that the supporting surface will safely support the combined weight of the equipment and all attached hardware and components.

2. Installing the Adapter Brackets



Note: Choose appropriate screws, washers and spacers (if necessary) according to the type of screen.

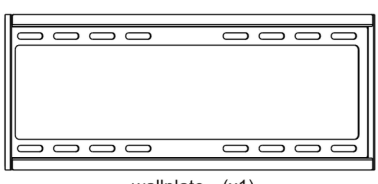
- Position the adapter brackets as close as possible to the center of the TV.
- Screw the adapter brackets onto the TV.

Tighten all screws but do not over tighten.

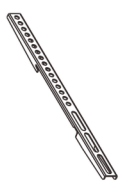
Component checklist

IMPORTANT:

Ensure that you have received all parts according to the component checklist prior to installation. If any parts are missing or faulty, contact the distributor for a replacement.

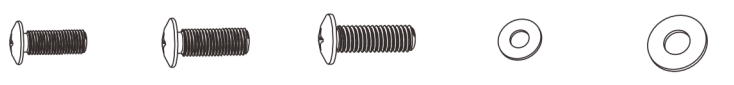


wallplate (x1)



adapterbracket (x2)

PackageM



M5x14(x4) M6x14(x4) M8x15(x4) D5washer(x4) D8washer(x4)
